8. Band recruitment

- a. IB received an email today from someone seeking information how to get audition/hear about pit bands for shows at the ADC. IB noted the fact that bands are not necessarily always advertised, with MDs almost always compiling their bands themselves, independently of producers, which can result in poorer quality bands and potentially great musicians slipping through the cracks.
- b. The committee agreed that the best course of action is for AS to talk to the next CUMTS president about the issue, as there is no way for us to implement any substantial change before the current committee hands over to the 2013/14 committee.
